White Lake School District Goals 2016/2017

Personalized Learning

- ✓ *Student achievement data, including state, local and classroom assessments will be used to differentiate instruction. Techniques or strategies that have been used to meet the needs of individual students will be indicated in lesson plans, with best practices being shared.*

Problem Solving/Creativity

- ✓ *STE(A)M activities focused on problem solving will be included weekly for each class and indicated on lesson plans. Two in-service days will be dedicated to learning Next Generation Science Standards (NGSS) and how to incorporate these standards across the curriculum.*

Student Achievement

- ✓ *All students will demonstrate growth by one grade level in the areas of math and reading during the 2016/2017 school year, as measured by local assessments, aligned to district adopted curriculum.*

Community Outreach

- ✓ *The district will continue to develop monthly and annual school communications with parents and the community and will partner with community organizations, Village of White Lake and county resources to provide information to families regarding services available, including accessing affordable healthcare, housing, food, AODA prevention and intervention, and mental health services.*
